

1. Course Name:Academic writing					
Academic writing					
2. Course Code:					
ENG20003					
3. Semester / Year:					
Year					
4. Description Preparation Date:					
2025\11\18					
5. Available Attendance Forms:					
Weekly (2 hours)					
6. Number of Credit Hours (Total) / Number of Units (Total)					
60 hours					
7. Course administrator's name (mention all, if more than one name)					
Asst.lec.Rusul Khadim Issa					
8. Course Objectives					
1. The course aims to prepare a new generation of university-level English-language teachers who possess the ability and competence required for effective teaching. 2. It seeks to equip students academically, pedagogically, and professionally so that they can perform their duties as teachers who are skilled in academic writing. 3. The course aims to develop the students' scientific and educational character, enabling them—as future teachers—to have a positive influence and to engage in effective educational interaction with learners through their use of the English language. 4. To provide students with the essential skills that enable them to interact more effectively with learners, particularly accurate grammatical structures, as well as the ability to work collaboratively within groups. 5. To enhance students' abilities to transfer knowledge to others, enabling them to perform their natural role as teachers in the future.					Course Objectives
9. Teaching and Learning Strategies					
1. Lecture Strategy 2. Discussion Strategy 3. Brainstorming Strategy 4. Identifying Key Information 5. Note-Taking 6. Highlighting or Emphasizing Important Points 7. Activating Relevant Prior Knowledge					Strategy
1. Course Structure					
Evaluation method	Learning method	Unit or subject name	Required Learning Outcomes	Hours	Week
