 <https://scholar.google.com/citations?user=jG3XzVgAAA&hl=en>

 <https://orcid.org/0000-0001-6678-9057>

Master in electrical and electronic engineering Specialist in electrical power engineering  
Asst. lec. at communication engineering department – Al-Mansour University College.

### EXPERIENCE

**Dates From 2014 - Till**

**Lecturer**, Communication Engineer Department - Al-Mansour University College.

**Dates From 2010 - 2014**

**Lab engineer**, Communication Engineer Department - Al-Mansour University College.

### EDUCATION

**May, 2014**

**Master in electrical engineering**, University of technology – Iraq – Baghdad.

Improvement Voltage Profile and Reduce Power Losses of Iraqi Grid using Optimal FACTS Devise.

**June 2010**

**B.Sc. in Electrical Engineering**, University of technology – Iraq – Baghdad.

### SKILLS

- Ability for design electrical and electronic control circuit.
- Ability for working on several computer language.

### AWARDS, THANKS & APPRECIATION, AND PATENTS IF ANY

- Thank and appreciation from engineering college university of diyala.
  - Thank and appreciation from Dean of Al-Mansour University College.
-
